SCHOOL TRANSPORT FOR HIGH SCHOOLS

Flexible and efficient solutions for school transport

Reliable school transport is essential for ensuring a smooth school day. Emile Weber offers schools and high schools **tailored mobility solutions** that combine safety, comfort, and efficiency.

Whether for daily transport, school trips or specific services, our offer is **modular and custom-made**. Our vehicles meet the strictest safety standards and are regularly maintained. We also invest in new technologies to make school transport more sustainable. Thanks to our **online booking tool**, schools can increase their efficiency and optimize their route management.

ONLINE BOOKING AND CUSTOMER ACCOUNT

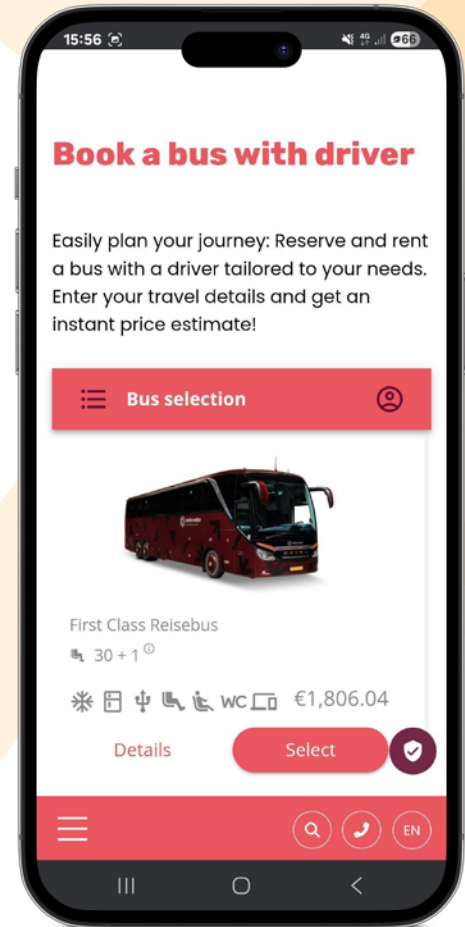

Fast, flexible, and transparent

Our **online booking tool** allows high schools to easily plan and manage their trips. A **personal customer account** gives you access to discounts, quick booking, and an overview of all trips.

Of course, we are always available to answer your questions and provide advice.

SCHOOL TOURS

School Tours gives high schools an overview of the price of a school trip based on the destination.

Advantages:

- Price structure based on kilometres
- Fixed price
- Efficient use of the existing school transport network

Important notes:

- Valid for return transfers during school hours
- Outside school hours, the usual bus rental rates apply

GROUP TRAVEL EXPERIENCES

School trips are a valuable addition to the classroom, as they allow theoretical knowledge to be put into practice. They promote class cohesion, strengthen intercultural skills, and contribute to the personal development of students. Our group travel department develops tailor-made programs that optimally combine education and fun, including accommodation, transportation, and inspiring excursions.

Our services:

- **Individual planning:** comprehensive packages tailored to your wishes and budget
- **Complete organization:** transportation, accommodation, and activities from a single source
- **Educational and interactive programs:** tailored to the learning plan and age group
- **Flexible travel options:** day trips or multi-day trips according to your wishes

Popular destinations:

- **Metropolises and cultural cities:** discover historical and modern landmarks
- **Nature and adventure:** leisure parks and outdoor activities
- **International destinations:** language stays and intercultural encounters
- **Theme parks:** Parc Merveilleux, Europa Park, Phantasialand, Walygator, etc.

Your advantage:

Our experts are available to help you plan your tailor-made school trip.
